If—, if U S didn't spend $50 billion yrly for armament, what would happen to natl economy? Amer people, Soviets should be told; expenditures for armament unproductive; maybe day will come when there is universal realization of futility of war, recognition of econ benefits that can be derived from lasting peace, O 21 p 124
"The U S A Christian Nation", atheism scored biggest victory when Supreme Court ruled against prayer in schools; has Court right that Cong does not, to limit "free exercise" of religion? extracts from lecture at Haverford College delivered by Supreme Court Justice David J Brewer in 1905, O 28 p 108-106
Selection or discrimination? solution to present-day controversies over "equal rights" will not come through fed laws or court orders, but only through education of citizens generally as they are assured right of selection, recognize obligations which go with this right, N 4 p 100

LAWRENCE, DAVID—Contd.
Where's initiative? Pres Kennedy in speech at Univ of Maine emphasizes effort to do business with tyrants in Kremlin; allowing hostile European power military foothold in this Hemisphere is ignominious fact; why is it glossed over? why are we dealing with "leaders" in Kremlin? only force which can assure world peace is people of USSR, N 11 p 128
Voter discontent, election habits in Amer follow unmistakable pattern; people affected by econ, emotions; Pres Kennedy needs to study voter discontent in recent State, local elections; emotional issues paramount—most penetrating is that of interference with lives of citizens through pressure for "civil rights"; still time for restraint, realization that iron hand of law not as effective as voice of reason, N 18 p 136
"Cold War" is war, wave of "euphoria" sweeps country after Moscow makes periodic gesture of "peace"; politicians, getting ready to extol Kennedy in 1964 Pres election do not want to take steps that might force retaliation if one country takes firm stand; Pres must tell Amer people whole truth, abandon secret diplomacy; "cold war" is not peace, N 25 p 124
Incredible tragedy, Amer people, people of whole world mourn death of Pres Kennedy; three times before in Amer history Pres has been killed in office; can we not devise some means of detecting in advance symptoms of such behavior? Kennedy manifested spirit of mediation, desire to attain maximum good for public, D 2 p 104
Missing word, Pres Johnson in address to Cong spoke of need for "new fellowship" following death of Kennedy; word Love is missing as set forth in Sermon on Mount; Suggests that reason can be substituted for anger; Love includes willingness to listen; we have God-given opportunity to love one another, we cannot abolish hate by edict, D 9 p 124
